Prague 22nd January, 2021

Dear participants of the **conference Hydrogen Days 2021**,

On behalf of the organizer Czech Hydrogen Technology Platform (HYTEP) and the organizing committee, let me announce you about the change of the organizer of the technical support of the conference. Due to the change of format to online, we are cooperating with the CZECH-IN s.r.o. agency as from today.

Updated information you can find on the website www.hydrogendays.cz/2021, email address for communication stays the same: info@hydrogendays.cz. There will be also secondary email hydrogendays2021@c-in.eu (mainly for registration communication) published in the coming days.

We look forward meeting you online on March 24th-25th, 2021.

Sincerely,

Elizabeth Tien
